

Yahoo: Frequently Asked Questions (FAQ)

1. How do I join Yahoo?

On our AAPF website www.aapf.ws click on "Yahoo Discussion"

That will take you to <http://launch.groups.yahoo.com/group/ashevillepiano/>

Click on "Join This Group"

You will then be prompted to enter your Yahoo ID and password. If you are already a member of a Yahoo group, select "Join This Group." You will then be prompted to enter your Yahoo ID and password.

If you are not already a member of Yahoo, you will need to click on "Sign Up" (which is free)

Proceed to make the following selections:

- Step 1. Your Contact Information
- Step 2. Message Delivery
- Step 3. Message Preference

Type the Code characters you are presented (for security).
Click "Join"

When asked to tell why you wish to join, please include a sentence saying that you are a member of AAPF, and type in your name. This is the only way you can be sure the Moderator will recognize you.

2. What are the Message-Read options?

Individual Email - This is the option to choose if you want to get every message and notice individually, immediately, as it is posted.

Daily Digest - Choose this option if you want to see all messages but limit the amount of email you receive. We'll compile an email of up to 25 messages and send daily (special notices too!).

Special Notices - Select this option to receive only important email notices from the group moderator.

Web Only - Choose this option to receive NO emails and no notices of the latest happenings. Read messages only on the web at your convenience.

3. What if I want to change my Message-Read choice?

Click on the tiny blue link called "[Edit Membership](#)" above our title "ashevillepiano * Asheville Area Piano Forum"

Scroll down to Message Delivery and make your choice. You can change this choice at any time by following the same procedure.

4. How do I cause emails to go to my "real" email address rather than the Yahoo one?

Click on "My Account" way at the top on the left.

Then (you will have to give your password again for security)
Click on "Choose how Yahoo! contacts you" under "Contact Information."

Add another email address to Yahoo - your "real" one, and select it.
(You may have to wait until you receive an email to activate the new address).

5. How do I send out an announcement?

When you log on to our AAPF Yahoo group, click on "Post" in the menu on the left.
The screen for posting the message will appear.
Type your message. Click "Send."

or

Simply email your message to

ashevillepiano@yahoogroups.com

6. How do I reply only to the sender of an email and not to everyone (All)?

Scroll to the bottom of the email.
Select "Reply to Sender" rather than "Reply to Group."
